

Drive – In Cult Classics Collection – 200 Movie Set

Synopsis:

Turn away from the typical Hollywood fare and prepare for an offbeat trip with some of cinema's most eccentric far-out films. This 50 DVD collection of strange, surreal, outrageous and straight up weird cult classics is packed with 200 genre-defining films that are anything but mainstream. Celebrate the emotional roller-coaster of youth with these outlandish and quirky tales of adolescent insanity! From hipster vampires to androids in love and all species in-between, discover the nocturnal nonsense lurking around every corner of this camptastic collection!
