

# 3<sup>rd</sup> Rock From the Sun – Season Two

The complete, UN CUT, original broadcast edits of all 26 episodes available for the FIRST TIME on DVD!

Do NOT approach, subject considered dangerously funny!

Aliens have come to Earth to learn about its population, customs etc. To blend in, they have taken on human form which gives them human emotions but with no comprehension of how to decipher such emotions. Their uninhibited and candid reactions along with their complete lack of social etiquette turn everyday events into unusual, awkward and hilarious situations.

Watch this army of loveably clueless resident "visitors" as they make their way through everyday life, observing the humans' every move.
