

SHAMELESS – SEASONS 1 & 2 – ORIGINAL UK SERIES

"If you like to laugh and be shocked at the same time, it would be hard to do better than *Shameless*." – DVD Verdict

The critically acclaimed and brilliantly funny drama from award-winning writer Paul Abbott features the Chatsworth Estate's Gallaghers, probably the UK's most dysfunctional family.

The story centers around a young group of siblings pretty much neglected by their alcoholic father (David Threlfall – *Hot Fuzz*, *Nowhere Boy*), surviving by their wits – and humor – on a rough Manchester council estate. Whilst they won't admit it, they need help and find it in Steve (James McAvoy – *Wanted*, *X-Men: First Class*), a young middle class lad who falls for Fiona (Anne-Marie Duff – *The Magdaline Sisters*), the oldest sibling, and increasingly finds himself drawn to this unconventional and unique family. Chaos ensues with more tales of how one extraordinary family goes about its normal everyday life.
