

WARBIRDS OVER THE TRENCHES

A Thrilling, 5-Part Look At Air Combat in the First World War

Synopsis:

This is the story of the beginning of war in the sky! Discover the legendary aircrafts and thrilling aerial battles that marked many historic achievements and advances for pilots, engineers and our military. Through captivating final interviews with some of the men who flew in the Great War, incredible archival film footage and video of restored aircraft still flying 100 years later, this one-of-a-kind collection allows you to experience history's soaring military transformations like never before!
