

NOAH'S ARK THE MINISERIES EVENT

It Was The End Of The World. . .And The Beginning Of Hope

Full of action, adventure and true heroism, this time-honored story, beloved by generations of children, features exceptional special effects, outstanding acting and excellent entertainment for you entire family.

One of the most powerful and awe-inspiring epics of all time is brilliantly brought to life by an outstanding cast including Academy Award®- winners Jon Voight and Mary Steenburgen. With little help from the outside world, the brave and gentle Noah goes against all odds and builds an extraordinary ark to protect his family from the threat of a great flood. Carefully gathering all of the earth's animals two by two, he sets sail through uncharted waters and embarks upon one of the most amazing and inspiring journeys mankind has ever known.

- All Star Cast: Jon Voight (*Transformers*), Marry Steenburgen (*Step Brothers*), F. Murray Abraham (*Homeland*, TV Series), Carol Kane (*The Princess Bride*), Emily Mortimer (*The Newsroom*, TV Series)
- From producers Stephen Jones (*Gravity* and *Superman Returns*) and Robert Halmi Sr. (*10th Kingdom* and *Tin Man*)
- Buzz is building around Noah's Ark with the movie, *Noah*, in theaters March 8, 2014 with an all-star cast including Russell Crowe, Emma Watson, Anthony Hopkins and directed by Darren Aronofsky
- "Tech effects blend with seamless ease, while the flood scene with the ark is legitimately spectacular." – Variety
