

THE COSBY SHOW - SEASONS 3 & 4

Synopsis:

Season's Three & Four of this wildly popular TV series is paired together, for the first time, to form one amazing collection. Relive all your favorite moments from the show that TV Guide says "almost single-handedly revived the sitcom". *The Cosby Show* regularly appears in lists of the greatest shows of all time, yet it remains as vibrant today as one of Cliff's Huxtable's sweaters!

From their brownstone in Brooklyn, Cliff and Clair Huxtable watched over their family with style, wit and wisdom, not to mention a whole lot of laughs. The values they represented clearly struck a nerve with the public as the show was an instant success - never out of the top 20 in the ratings, and one of only two shows to hold TV's #1 spot for five years in a row.
