

# MARRIED WITH CHILDREN – SEASON 3

There goes the neighborhood...all over again!

## Synopsis:

Third time's a charm as *Married With Children* the complete third season has even more twisted fun in boldly subverting TV's domestic nest, smashing taboos and stereotypes as this wildly popular, often controversial hit series broke all the rules, dirtying up TV's prim and proper landscape on its way to earning a place in pop-culture infamy. Petty, backstabbing, and always at each other's throats - just the way we like 'em - the Bundys became true American icons during their original hit run, holding up a cracked mirror to our own lives, damaged goods and all.

## Target Audience:

Ages 25+

## Notable Cast/Crew:

Starring Golden Globe® nominees Ed O'Neill (*Modern Family*) and Katey Sagal (*Sons of Anarchy*), both for this series, and Emmy® and Young Artist Award winner Christina Applegate (*Anchorman*).
