

BENSON – SEASON 1

He's Running The House...And The State

Synopsis:

Following his breakout success on the legendary sitcom *Soap*, star **Robert Guillaume** reprises his popular role as beloved butler Benson DuBois in the fabulous first season of this hit spin-off. Though a longtime fixture of "Soap's" crazy Tate family, Benson is sent by his employer, Jessica, to help run the disorganized household of her widowed cousin, Governor Eugene Gatling (**James Noble**). Once there, the fast-thinking, quick-witted servant soon finds himself not only managing the Governor's mansion staff, headed by housekeeper Gretchen Kraus (**Inga Swenson**) and helping to raise the Governor's daughter, Katie (**Missy Gold**), but even advising the Governor himself. The Governor may be the boss, but it's Benson who's in charge in this riotous series that's a must-have DVD for any classic TV comedy collection.
