

GENGHIS KHAN - 50th ANNIVERSARY SERIES

Only once in the furied history of adventure and conquest...
did one man rule so vast an empire!

Synopsis:

Prince Temujin (Omar Sharif) watches the execution of his father by the ruthless Mongol leader, Jamuga (Stephen Boyd), who forces Temujin and his people into slavery. Escaping into the mountains, Temujin vows to avenge his father and unite the Mongol people. He kidnaps and eventually marries Bortei (Françoise Dorléac), a woman betrothed to Jamuga. He then raises an army and saves China from Jamuga's invaders, prompting the emperor (Robert Morley) to convey upon him the title Genghis Khan.

Target Audience:

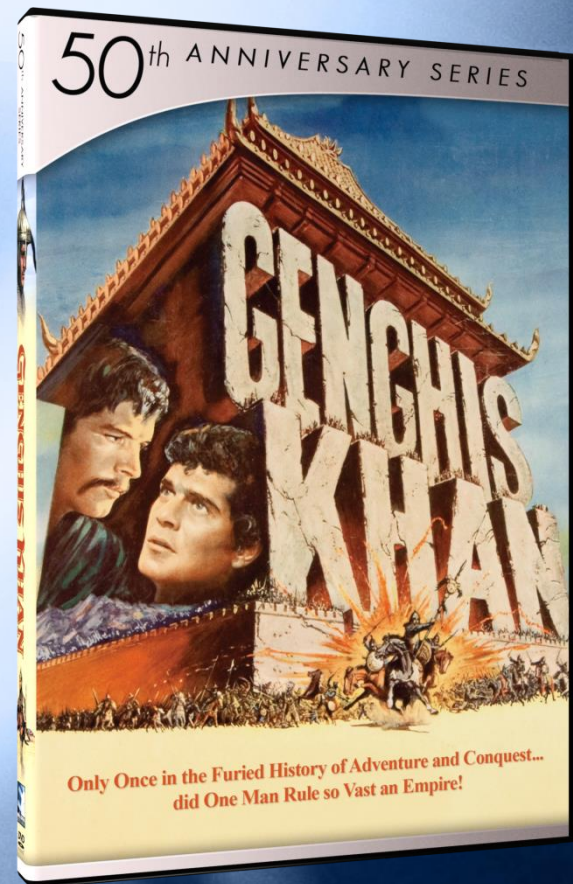

Classic Movie Fans

Notable Cast/Crew:

Omar Sharif, James Mason, Eli Wallach, Stephen Boyd, Telly Savalas, Robert Morley

Key selling points:

- This epic film is based on the life of Mongol Emperor Genghis Khan
- Filmed in Yugoslavia with high profile actors of the time
- Previously only available on MOD
