

MONSTERS AMONG US

The Origins of Horror's Greatest Characters

Synopsis:

The classic faces of terror began as legends and nightmares, and through the years became the monsters we know today. From horror movies to Halloween, we see the creatures that go bump in the night everywhere, but where did they come from? The primal fears of our ancestors fueled the stories that lived on through legend, page, and screen. Join us as we peer into the histories of some of the most prevalent creatures in pop culture, including vampires, werewolves, zombies, and ghosts. Come and meet the **Monsters Among Us**, if you dare.
