

Future Cop – The Complete Series

The Cop of the Future is Here... Programmed for Fun and Action!

Synopsis:

Ernest Borgnine (TV's *McHale's Navy*) stars with **John Amos** (*Die Hard 2*, TV's *Good Times*) as two street-smart cops who have been assigned a new rookie partner, Haven. But Officer Haven (**Michael Shannon**, TV's *We'll Meet Again*) has a secret. He looks human, talks and acts human. But he's not. He's an android with superior intellect and super strength. He's the perfect cop, the cop of the future!

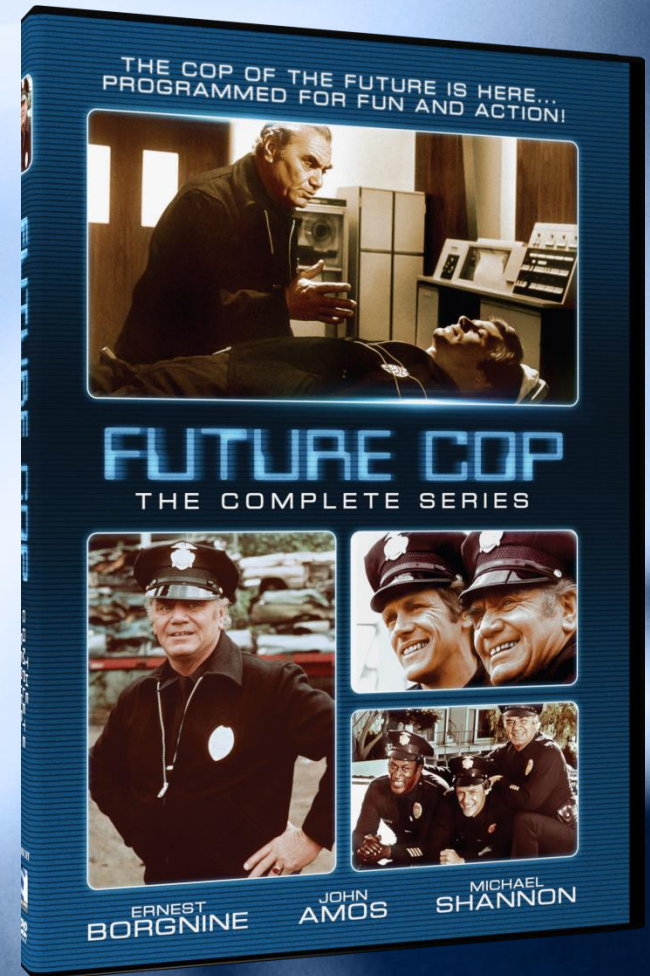

It'll be action-packed adventure as they hit the streets of L.A. to protect and serve. But with a cop killer on the loose and a billion dollar robot for a partner, retirement is just a bullet away.

Target Audience: Crime and Action Fans

Notable Cast/Crew: Ernest Borgnine, Michael Shannon, John Amos, Irene Tsu

Key selling points:

- Never before available on any home video format
- All Episodes including original pilot movie AND a second pilot movie launch attempt under the name "Cops and Robin"
- Served as inspiration for the hit *Robocop* franchise that has grossed over \$169MM at the box office
