

Quantum Leap – Season 2

Synopsis: Leap into another thrilling season of the extraordinary, Emmy Award-winning time-travel series, Quantum Leap. Reunite with Dr. Sam Beckett (Scott Bakula), a scientist who never knows whose body he is going to "leap" into next or when, where and at what moment in time he may find himself. Who will he be next? An undercover cop. A blind pianist. A harassed secretary. It's up to Sam to change the history of each person for the better, and hopefully complete the mission that will someday take him home.

Target Audience: Sci-Fi TV fans, Scott Bakula fans

Notable Cast/Crew: Scott Bakula, Dean Stockwell, Deborah Pratt

Guest Stars: Patricia Richardson, Chubby Checker, Michael Madsen, John Cullum, Janine Turner, Marcia Cross, Julie Brown, Jason Beghe and many more!

Key selling points:

- The series won 2 Golden Globes and received 5 additional nominations!
- Scott Bakula is the only actor to have two roles included in TV Guide's "25 Legends of Sci-Fi" - Sam Beckett (*Quantum Leap*) and Jonathan Archer (*Star Trek: Enterprise*).
