

*When Heaven Comes To Earth*

**Synopsis:**

This is a story of faith. A story about four people. A priest. A former internationally-known entertainer. A Catholic evangelist with a healing ministry. And, a religious Sister.

This is an inspiring story of their faith journeys. Their lives were all changed forever through the Holy Sacrifice of the Mass. While all four come from different walks of life, they now know Jesus Christ in a deeply personal way through the Mass.

In a chaotic world filled with much confusion and pain, people are searching for answers. Society is providing little help to cope with this growing discontent. In this program viewers will find the answers that will help give strength and direction to live life in a meaningful and fulfilled way through the Holy Sacrifice of the Mass.
