

DISCOVER WHAT ANGELS ARE DOING IN YOUR LIFE...AND WHY.

Synopsis:

Jean Paul Richter wrote that angels “sometimes fly so high as to be beyond our sight.” But what if they are standing right next to us in our most fearful moments, so common in appearance that we take no notice at all until they are gone? More importantly perhaps, why would angels be among us?

Do they appear at random or do they have specific assignments? Do they bring messages of hope and faith? Do they come to save and protect or are they merely observers of the human condition? The answers just might be all of these things and more.

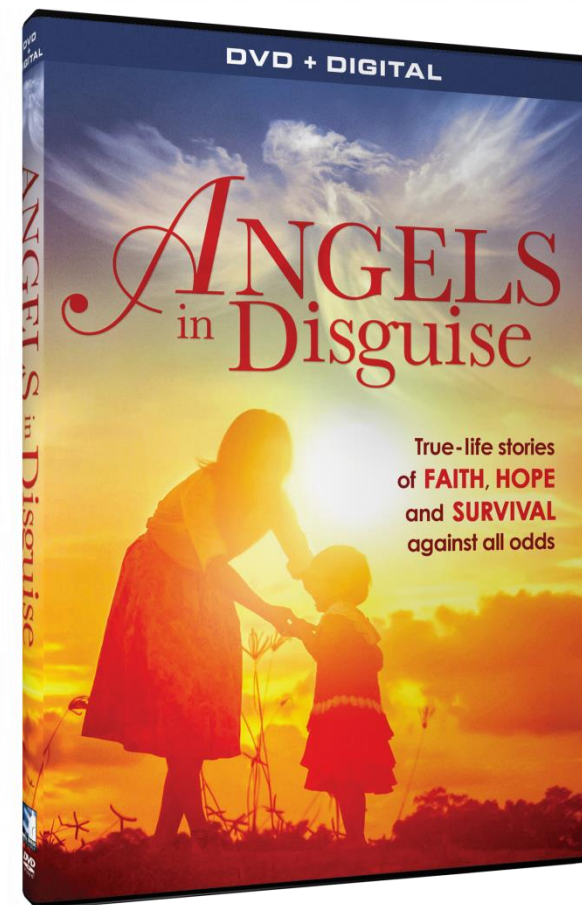

Angels in Disguise, is filled with true stories that show you why it’s possible you have an Angel in your own life!
