

It's Not War...It's Survival.

Synopsis:

Remnants – 2013 – Not Rated – Time Sizemore, Wilbur Fitzgerald, Alex Van, Robert Pralgo

A catastrophic solar flare plunges Earth into global darkness. As society teeters on the edge of anarchy the President and top government officials are swept away to a cold-war bunker in search of a solution. While the politicians fight insanity and each other, a group of middle-class suburbanites take survival into their own hands.

Solitary – 2009 – Not Rated – Amber Jaeger

When Sara Ballard (Amber Jaeger) becomes trapped inside her suburban home by the sudden onset of agoraphobia, her fear becomes a nightmare when her husband mysteriously disappears. Sara's journey through her darkest fears takes her from one unexpected revelation to another, and ultimately to a shocking conclusion beyond her imagination.

Another Kind - 2012 – Not Rated – Jamie Law, Nate Miller

What begins a casual snowshoeing expedition, turns into an unspeakable disaster for a group of unprepared hikers. Deep into the snowy Catskills the group suddenly discovers they have no map coupled with the mysterious disappearance of their hiking poles. The cold nights reverberate with eerie feelings among the campers and the apparent sound of frightening footsteps outside their tents.

Stranglehold – 2014 – Not Rated – Luke Edwards

Facing certain death, a group of peaceful aliens try to thwart their violent oppressors, in an attempt to preserve their species and humanity.

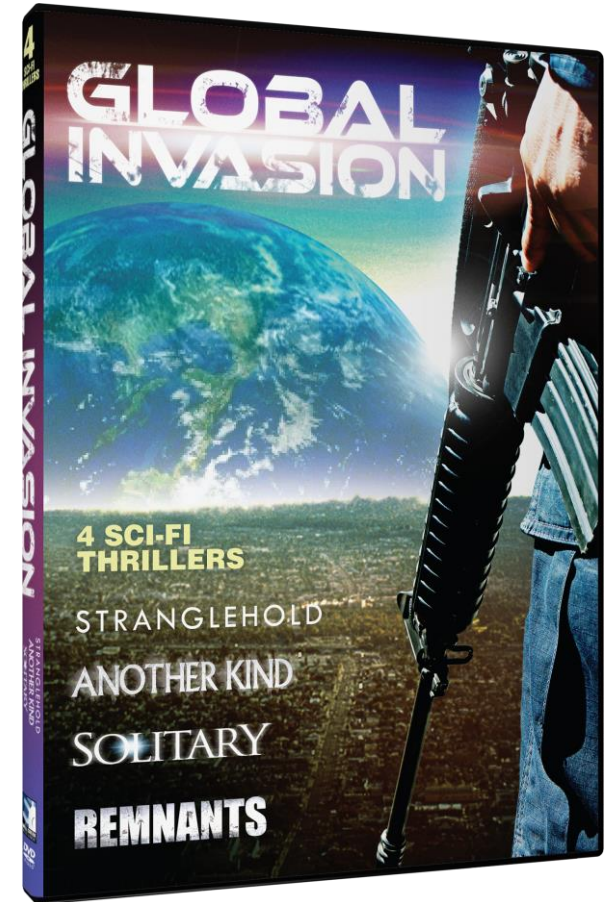

Target Audience: Sci-Fi Fans – Men 30+
