Notable Cast/Crew: Robert Stack, George Montgomery, Ann Savage and more!

Key selling points:

- Legendary director William Castle helmed these films for Columbia Studios just prior to his truly iconic release of *House on Haunted Hill* where he trademarked his horror gimmicks and schtick
- Many books, dissertations and retrospectives have centered on William Castle and his iconic methods of filmmaking and innovating marketing techniques
- This collection represents the First and Last western films directed by William Castle

“Conquest of Cochise is a surprisingly thoughtful Western with some breathtaking scenery to boot.”
 - Jonathan Lewis, Mystery*File
