

Short Synopsis:

WWII – THE WAR THAT SHOOK THE WORLD describes the events of the Second World War in the most detailed and comprehensive way, just as they happened. From Hitler’s invasion of Polish territory to the day in which Emperor Hirohito “had to accept the unacceptable”, all is encompassed in this immense documentary collection.

The Finest Hours of WWII takes viewers to the front lines of the European, the Pacific and the African theatres of the deadliest conflict in human history. Masterfully scripted, and full of authentic footage, this comprehensive 21 episode collection is sure to please war and history fans of all ages.

Combat Aircrafts is a compelling documentary series follows the history of the aerial assault vehicle from the creation of the aero plane to its militarization during World War I and the Russian Revolution. With remarkable narration and incredible archival footage, including many never-before-seen sequences. This groundbreaking 5-part series is a complete historical overview from 1900 to 1945.

Waves of Freedom is a captivating adventure documentary that recounts a post-war story of U.S. volunteer sailors recruited to break the British naval blockade of Palestine. This is an unforgettable film that brilliantly retells the dramatic and fascinating story of the journeys and battles of a band of small ships across the waves of freedom.

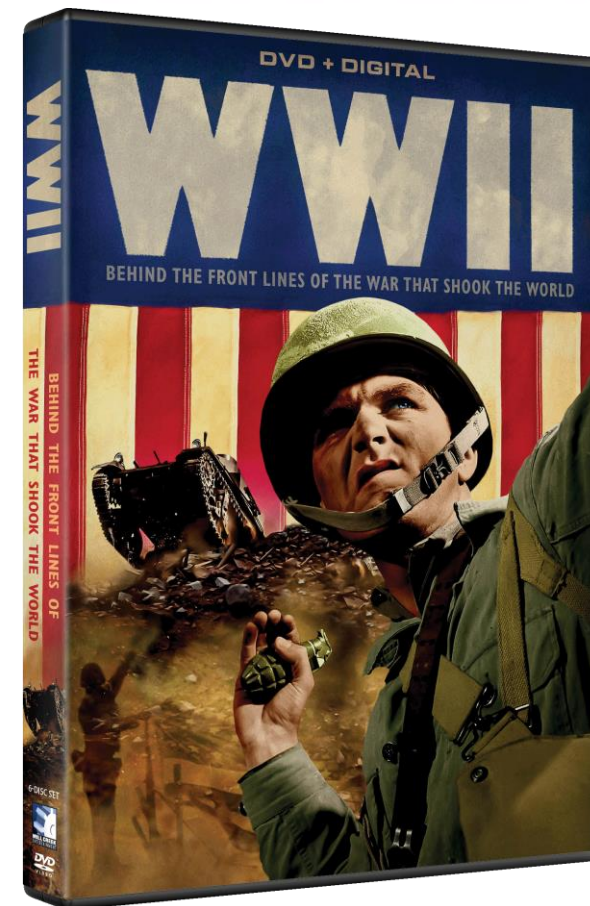

Target Audience: Documentary, Historians, Veterans
