

Short Synopsis:

A Journey Into The Realm Of Inexplicable Experiences!

It has been both an ancient and spiritual question, and today a question of science: What are these miraculous events? ... Where do they come from? ... And what do they mean? ... If miracles are real, are they divine intervention and what is the role of spirituality, religion and prayer? This 4-part series explores and investigates the many answers to these questions through interviews with theologians, historians, experts, actual witnesses and visits to the locations where it is believed some of the most beautiful and profound miracles occurred.

Target Audience: Spiritual Truth Seekers; Followers of "The Secret"

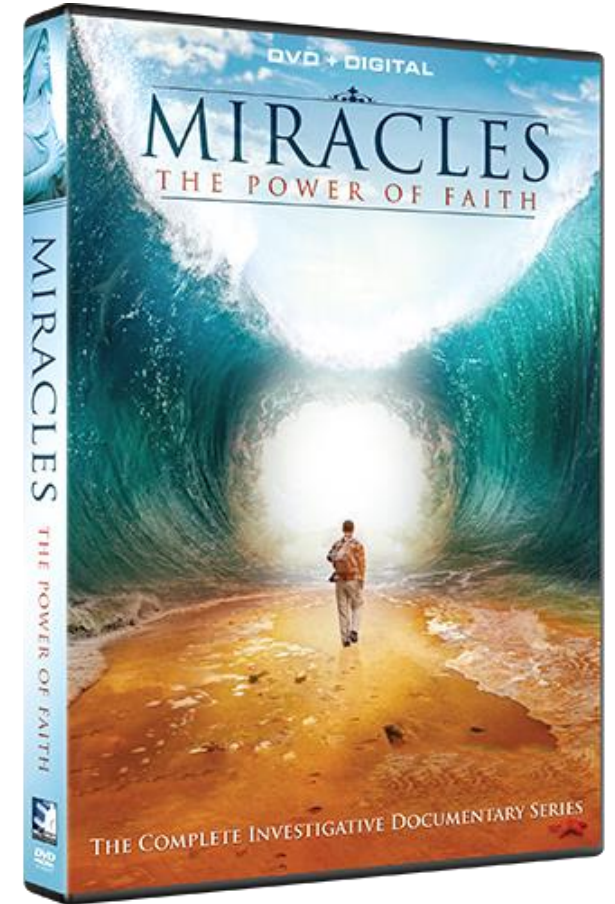

Notable Cast/Crew: Produced exclusively for Mill Creek Entertainment by Centre Communications (*National Park Exploration Series, Ghost Towns, Northwest Passage*).

Key selling points:

- Explores existential themes similar to *The Secret* and *What The *Bleep* Do We Know?*
- Enlightening documentary series exploring mythos and rhetoric of miraculous phenomena
- Includes Digital Access!
