

**Short Synopsis:**

**No Wings. No Halo. All Heart!**

Country music legend **Dolly Parton** lends her sunny charm to this heartwarming film. When hard-living barroom singer Ruby Diamond (**Parton**) dies in a car accident and meets St. Peter (**Roddy McDowall**) at the gates of heaven, the angel informs her that she must return to Earth to perform a selfless deed in order to gain admittance. Disguising herself as a nanny, Ruby soon edges her way into the joyless family life of workaholic widower Ben Bartilson (**Brian Kerwin**) and his children Sarah (**Allison Mack**, TV's *Smallville*) and Matthew (**Eli Marienthal**, *The Iron Giant*) - hoping to both heal the grief-stricken family and earn her heavenly wings in time for Christmas. Punctuated by Dolly's musical numbers, *UNLIKELY ANGEL* is an affirmation of the holidays, love, and family.
