

ONE CHURCH

MILL CREEK
ENTERTAINMENT

SYNOPSIS

When a national tragedy turns into a personal vendetta for aspiring politician Cornelius Barlow, religion comes to the forefront of public debate. This political thriller that tells the story a transformation that demands all pulpits in America must preach this oneness of religion. Families are divided, churches are closed, and lives are even lost in the battle to reclaim the most important message ever told. Then, God shows up in a big way by using the most unlikely people to defend His church.
