

BRITISH INVASION! – 60s ROCK DOCS

MILL CREEK
ENTERTAINMENT

SYNOPSIS

Rock and roll as we know it was influenced by the English bands of the 1960s who took the world by storm and forever changed the sound of modern music. The tremendous success of *The Beatles*, *The Rolling Stones* and *The Who* is as strong today as it was 50 years ago and this comprehensive documentary series chronicles the exhilarating musical journey affectionately known as ***The British Invasion***.
