

SYNOPSIS

There is a darkness in humanity that has manifested itself in a lust for blood throughout the ages. The Old Testament and ancient myths catalog murder and revenge as part of the fabric of life. Cain slew Abel; Romulus slew Remus. Unleashing the beast within is a possibility for all of us. The decision to kill from passion or pre-meditation has often defined our world...past, present and future.

This 10-part documentary series explores several noteworthy murders, serial killers, and cult leaders, and what in their biographies can warn humanity about what turns a man...into a monster.
