

The Ultimate Civil War Series – 150th Anniversary Edition Blu-ray

All New High Definition Transfers

This soon-to-be classic documentary mini-series traces the causes, courses as well as the major events and personalities of the American Civil War.

Between 1861 and 1865, an epic American story of struggle and survival was written in blood. This series is told mostly from first-hand accounts and spoken words of the participants themselves, through their diaries, letters, and memoirs. The series concludes with Lee's surrender at Appomattox Court House and the surrender of the Western Confederate Army to Sherman in North Carolina in the spring of 1865. It then explores the legacy of slavery and the consequences and meaning of a war that transformed the country forever.

- An All-New 7-part series filmed in high definition
- FIRST Civil War series of its kind produced entirely in vivid High-Definition
- The ONLY series produced for the current 150th anniversary of the war.
- 20,000 re-enactors re-create the war with extreme detail and historically accurate recreations. Re-enactments filmed in Pennsylvania, Maryland, Virginia, Tennessee, North Carolina, Georgia and Florida.
