Ship of Fools

Vivien Leigh and Simone Signoret headline a stellar cast in the acclaimed drama about German exiles who are not allowed to anchor at American ports.

Lilith

Warren Beatty stars as a Korean war veteran who returns home and takes a job at a mental hospital. While working at the hospital, Beatty begins an affair with one of the patients only to find that she's much more deeply disturbed than he'd thought. This compelling film examines the fine line between sanity and insanity.
