Key selling points:

- First time *Homicidal* has been available on Blu-ray in high definition
- *Mr. Sardonicus* is based upon a short story by Ray Russell that first appeared in the January 1961 issue of *Playboy* magazine
- Castle, known as the "king of gimmicks" includes a "Punishment Poll" at the end of *Mr. Sardonicus*, claiming to have two possible endings but since no audience ever showed mercy, the alternate ending, if one ever existed, was never screened.
