

Synopsis:

"Benji is the best family film of our time. Maybe of all time." - Liz Smith - *Cosmopolitan*

"Benji's uncanny ability to project emotions definitely makes him the Laurence Olivier of the dog world!" - *New York Daily News*

"Benji is truly remarkable." - *Hollywood Reporter*

Benji is the story of how a pint-sized vagabond finds love and a family of his own, told from the heart and soul of a dog. This unique floppy-eared mutt delivers a truly captivating performance that convincingly communicates this emotional and heartfelt story of persistence, hope and love. Filled with comedy, adventure and romance, this acclaimed cinematic masterpiece is a wonderful entertainment experience for the whole family.
