Full Synopsis:

Narrated by Academy Award® winner Cate Blanchett, *Journey to the South Pacific* will take moviegoers on a breathtaking IMAX® adventure to the lush tropical islands of remote West Papua, where life flourishes above and below the sea. Join Jawi, a young island boy as he takes us on a journey of discovery to this magical place where we encounter whale sharks, sea turtles, manta rays, and other iconic creatures of the sea. Home to more than 2000 species of sea life, this exotic locale features the most diverse marine ecosystem on Earth. An uplifting story of hope and celebration, *Journey to the South Pacific* highlights the importance of living in balance with the ocean planet we all call home.

Marketing Points:

- In 1996, IMAX was awarded the Oscar® for Scientific and Technical Achievement by the Academy of Motion Picture Arts and Sciences.
- The award cited IMAX's innovations in creating and developing a method of filming and exhibiting large-format, wide-angle motion pictures.
- To date, ten native-format IMAX format films have received Academy Award® nomination, with one winner.

Talent Information:

- Narrator CATE BLANCHETT is a two-time Oscar® winner and three-time Golden Globe winner!
- She has most recently been seen in the theatrical blockbusters *Oceans Eight* and *The House With A Clock In It's Walls*
- Director Greg MacGillivray has received 2 Academy Award® nominations for Best Documentary Short Subject
- He has shot more 70mm film than anyone in cinema history including over 35 IMAX productions
- He is the first documentary filmmaker to reach the \$1 billion benchmark in worldwide ticket sales
