

Short Synopsis:

Killing Is An Art Form

When agent *Picasso Trigger* is killed by arch-criminal Miguel Ortiz, the Agency decides to send a trio of female agents out with the task of bringing Ortiz down. Our agents must use all of their skills, specialized weaponry and their physical attributes in order to track down Trigger’s killer.

Critic Quotes/Reviews: “If what you want is a speedboat chase in which the hero cannot shoot straight, lots of busty babes in bikinis (or less) carrying enough weaponry to fight a small war, crooks guilty of everything from drug-smuggling to snuff movies and white slavery, and a scattering of throwaway one-liners, *Picasso Trigger* fits the bill, perfectly.– Arlene Wood, VideoVista
