

Short Synopsis:

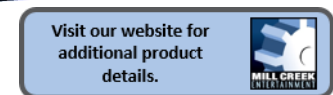

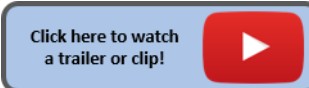

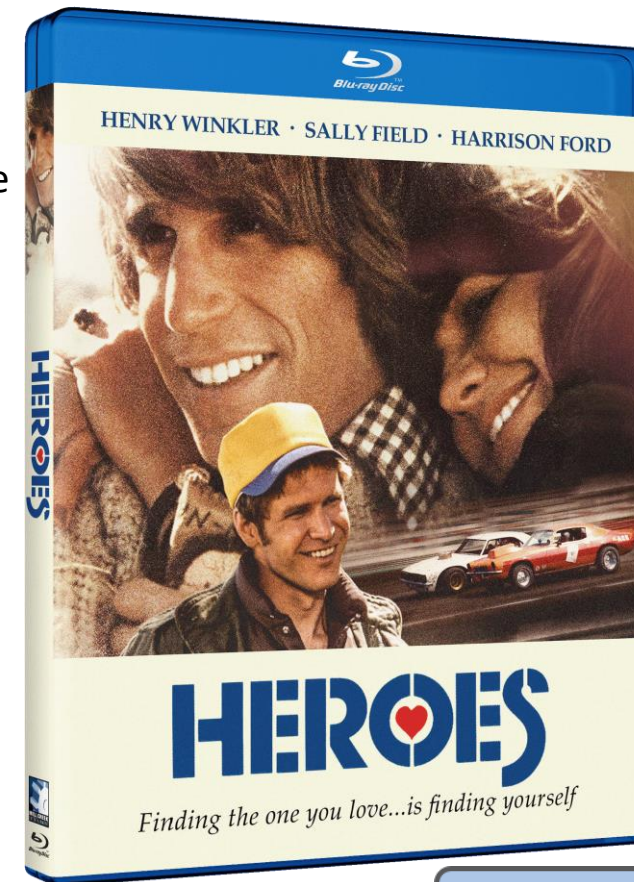

Henry Winkler and Sally Field play two off-center characters who find love when they least expect it in the moving comedy *Heroes*. Jack (Winkler) is a troubled yet high-spirited Vietnam vet who embarks on a cross-country odyssey to open a worm farm and prove his own self-worth. En route, he befriends Carol (Field), who is attempting to "sort things out" before she marries an old flame. Their laugh- and tear-filled adventures, including a high-speed run-in with a footloose army buddy (Harrison Ford), become the life-affirming story of two people who find themselves when they find each other.
