

SNOW WHITE – A TALE OF TERROR

MILL CREEK
ENTERTAINMENT

SYNOPSIS

If you thought Snow White was only a fairy tale, you're about to discover a story of relentless terror and unimaginable horror. When young Lillian's mother dies during childbirth, her father soon remarries the well-intentioned Lady Claudia. However, Claudia's heart is ruled not by her husband, but by an evil mirror with the power to make Claudia Queen over all living things...until they are dead. This terrifying retelling will prove once and for all that blood is thicker than water, and evil, like an apple, comes around.
