American History of the Wild West

Be transported into the wild and woolly past of the American Wild West! In this fascinating 12 documentary collection, you'll find history, lore and biographies of the lives and times of those who populated the Wild West.

Outlaws and Gunslingers

Produced by award-winning production company Centre Communications, this is the story of the West as it has never been told before...Myth and legend stripped away and the truth revealed by 17 of the nation's top Western authorities. Learn the truth about Billy The Kid, Jesse James, The Sundance Kid, The James and Youngers, the Daltons and many more!

Railroads: Tracks Across America

This comprehensive documentary collection is composed of 36 fascinating features chronicling the development of the railroad industry from the first transcontinental line, freight and Pullman cars, to modern diesel engines. See the people and machines that built the Tracks Across America!

- Includes the amazing stories of Wild Bill Hickock, Wyatt Earp, Billy the Kid, Jesse James, Butch Cassidy, The Sundance Kid and more!
- *Railroads: Tracks Across America* includes in-depth features chronicling Steam Trains, Passenger Trains, Freight Trains, The Nickel Plate Railroad and more!
- Incredible Value – Originally released for 14.98 MSRP each.
